All are welcome to the lower foyer for refreshments. Thanks to the Community of Christ Professional Educators Association for providing the refreshments and special gifts.

We encourage you to stay for the organ recital in the Temple sanctuary at 3 p.m. with Blake West. In addition to his faculty position with Blue Valley Schools, Blake is a staff organist for the two organs at Community of Christ headquarters. Today’s recital theme will be “Organ Music Across the Curriculum: connecting history, math, physics, and adolescent development”.

Thank you to Cultural Crossroads for their donation of the foyer apple decorations.

A special thanks for the work of the *Celebrating Educators* planning team that represented educators in the Kansas City Metro area.
